January 2023, Vol. 1 Series 23

## HAPPY NEW YEAR!

We hope everyone had a safe and enjoyable holiday. The start of the new year brings the start of a new commission. Below are some photos we captured from the swearing in of your new City of Bancroft Commission.

## SNOWY STREETS!

The arrival of cold weather could bring more snow or ice. The City of Bancroft has a contract to salt when icy and remove snow when we get 3 inches or more at one time.

### MAYOR'S NOTES

With January 1 here, Bancroft has a new mayor and commission. I welcome the opportunity to be the mayor for the next four years. I have been a member of the city commission for seven years and stepped forward when Mayor Jeff Magers announced he would not be running again. If you see him walking the neighborhood with his dog, I hope you would say hello and extend your thanks to him for the work he has done over the last 7 years. He has been a very dedicated servant of the city. He chose to stay involved as a commissioner and successfully ran in November. He will be joined by Jaimie Schapker and Paul Chumbley along with a newly elected member, Gerri Leppert. We are looking forward to continuing to keep Bancroft people think of when looking for a good, clean, safe place to live. If you see people walking the neighborhood, you might also see Mike Borders. He chose not to run again for a seat on the commission but over the last several years, he was responsible for all the maintenance of the neighborhood. His major emphasis has been removal and replacement of the trees making the beautiful canopy. I'd also like to extend my thanks to him. My regular updates will continue beginning next month. For now, let me tell you that you may email me with any concerns and I will respond. You can also call me at 937-470-7384. If I am unable to answer, leave a message. I will return the call promptly.

Ed Evers

Mayor, City of Bancroft

Former Mayor Jeff Magers was honored with a plague by new Mayor Ed Evers.

## November Meeting Minutes

### **POLICE NOTES FROM CHIEF MUDD**

Best wishes for a Happy New Year to all Bancroft residents and their families! I would like to take this opportunity to comment on a couple of items that have come to my attention over the last few weeks.

First, as often during this time of year, the days are often cloudy or there is inclement weather with which to contend. To keep our streets safe for pedestrian and vehicular traffic alike, please remember to turn on your vehicles lights when dealing with low visibility. KRS 189.030 requires headlamps to be illuminated 1/2 hour after sunset and 1/2 hour before sunrise and at other times when atmospheric conditions render visibility as low or lower than usual during that period. Keep in mind that simply placing your lights on "Auto" may not illuminate them during the day when there is inclement weather.

Second, if severe weather including snow accumulation is indicated, please try to park your vehicles in your driveway if possible. This allows the streets to be better cleared afterwards, as well as making them safer to traverse for residents and emergency vehicles. This is especially true in curves or near intersections. If in doubt as to whether this is necessary, please feel free to reach out to me or check the city's Facebook page as there is often information about this posted there.

Thanks to everyone for their well wishes during the holiday season and for making Bancroft such a pleasure to serve!

### **HOW CAN WE CONTACT THE POLICE?**
