## BIG BINS AND BIG HEAT

A Massive "Thank You" to Public Service!

First, a massive shout-out to our Public Service Commissioner, Mrs. Pam Magers. Our city-wide transition to the new, larger recycling bins was completed in June without a single wheel falling off. We know change can be tough, but you all handled the upgrade like pros.

July is Sizzling (Literally)

Now that we are officially in the thick of July, Mother Nature has cranked the

thermostat up to "sauna." As the heat and humidity team up to ruin our hair days, please remember to take care of yourselves:

- Hydrate like it's your job: Water is your best friend right now. Ice coffee is a close second, but stick to the H<sub>2</sub>O.
- Check on your neighbors: Especially the elderly, those living alone, and our furry, four-legged residents.
- Limit peak-sun activities: If you must exercise outside, aim for early morning or late evening. Otherwise, we highly recommend the fine indoor art of sitting directly in front of an air conditioner.

Stay cool, stay safe, and let's enjoy the summer responsibly! Happy 250th America.

## **WOULD YOU LIKE TO JOIN OUR COMMISSION?**

The City of Bancroft is currently seeking dedicated residents interested in becoming City Council commissioners. If you are interested in serving our community, please reach out directly to Mayor Ed Evers.

## **MAYORS NOTES**

As we begin the new fiscal year the commission worked diligently to minimize the tax at least for the city given the new PVA valuations. We will be mailing everyone both the tax rate ordinance and the budget ordinance for the '26-'27 year shortly.

Our city treasurer, Arnold Shaikun, has retired after a long, long tenure. We wish him well.

Recently, our chief, David Mudd, has passed his 5th anniversary with us. His diligence pays dividends for the safety of our city and we look forward to more years working together. As you see him you might give him a "hi five" in celebration of his 5 years with us.

## **NOTES FROM CHIEF MUDD**

FROM THE CHIEF:

A resident at the last city commission meeting expressed concerns about vehicles speeding on Glen Arbor Road. I have contacted LMPD's Eighth Division and requested they place a radar trailer on Glen Arbor between Greenlawn and Adler. This will allow us to reduce speeding and accurately measure the number and speed of passing vehicles.

On a related note, I have observed several area children riding electric bikes of various sizes throughout the city. However, because these vehicles can reach much higher speeds than traditional pedal bikes, the potential for injury is also much higher if a rider is struck by a moving car or truck. If your child or children use such vehicles, please ensure they wear helmets and know to obey traffic laws as any other vehicle on the road is required to do. If anyone has any questions about this matter, feel free to call me. The police number is (502) 263-3663.

### **INSURANCE PREMIUM TAX FEES**

We are asking for your help to ensure that your insurance company is aware that you reside in the ***City of Bancroft***, not the City of Louisville. This allows Bancroft to receive the tax fee instead of Louisville.
