City of BANCROFT

EST. 1970

November 2026, Vol. 11 Series 26

Neighbors,

As the last leaves drop and our neighborhood squirrels finish their frantic, high-stakes acorn hoarding, November arrives to remind us that autumn in Kentucky is a sprint toward winter coat weather.

While the change of season brings cooler evenings and early sunsets, it also brings a few seasonal reminders and municipal notes to keep Bancroft running smoothly:

Fall Yard Care & Leaf Season: With the trees going bare, please keep leaf piles clear of storm drains and edge-of-road gutters. Trapped leaves turn to sludge

quickly during autumn rain, causing unnecessary drainage backups.

Pardon the Crunch: Daylight saving time has ended, which means evening walks now happen in dusk or pitch darkness. If you're out walking, jogging, or walking pets after 5:00 PM, consider carrying a flashlight or wearing reflective gear to make sure drivers see you early.

Driveway & Street Parking: As holiday gatherings approach and family starts visiting, please remind guests to pull off street parkways where possible to leave clear access for emergency vehicles, delivery trucks, and routine service runs.

Cold-Weather Prep: Before the first hard freeze hits, take a quick minute to disconnect garden hoses from outdoor spigots to prevent frozen pipes.

From all of us serving on the Bancroft City Commission, we wish you a warm, low-stress Thanksgiving filled with good food, great neighbors, and minimal family debate over the football games.

Stay warm, drive safely, and enjoy the crisp November air!

WOULD YOU LIKE TO JOIN OUR COMMISSION?

The City of Bancroft is currently seeking dedicated residents interested in becoming City Council commissioners. If you are interested in serving our community, please reach out directly to Mayor Ed Evers.

TAX BILL REMINDER

All residents should have received by mail a copy of your 2026 tax bill. Please remember it is your responsibility to make sure your City of Bancroft taxes are paid prior to the due date even if you feel you did not receive a copy. You can always contact Clerk Tuthill for tax information. We greatly appreciate all our residents assistance with this.

MAYORS NOTES

By the time you read this the election season will have come and gone. I hope everyone eligible exercised their privilege and voted. It is more important that we all vote than who each of us voted for.

The commission has been questioned by a non-resident who has concerns regarding our Flock cameras. I have requested information from Flock directly to give him, and anyone else answers to the operation of these cameras. I will share this information with our residents as I receive it. I would be interested in hearing your thoughts as well.

Mayor, Ed Evers

September Meeting Minutes

NOTES FROM CHIEF MUDD

Recently I found several documents on the side of the road in Bancroft. The documents belonged to a resident and were likely placed in a recycling bin. It's unknown how they ended up on the roadway, but they might have flown out of the garbage truck after pickup. Please be careful when disposing of personal documents, especially those containing identifying information such as date of birth, Social Security numbers, financial or medical information. Shredding such documents is the best way to dispose of them. Various organizations, such as AARP, occasionally provide sites where you can ensure their destruction. If any resident has further questions, please contact me at (502) 263-3663.

INSURANCE PREMIUM TAX FEES

We are asking for your help to ensure that your insurance company is aware that you reside in the ***City of Bancroft***, not the City of Louisville. This allows Bancroft to receive the tax fee instead of Louisville.
