

BANCROFT NEWS & VIEWS

APRIL 2015

VOLUME 4

SERIES 15

YOU MAY BE WONDERING...

All residents should have recently received several updated ordinances by mail. You may be wondering what these are and why the Commission made these changes. Some changes were made as part of the update to ordinances during the revisions that began in 2014 (state law requires cities to revise ordinances every five years). Additionally, the Commission also recently voted to place Bancroft Lane back under the Maintenance Department and create a new department -Community Outreach. This means the Commissioner for Maintenance, Bryan Berman, will also be responsible for Bancroft Lane. Commissioner Matt Tungate will be the Commissioner in charge of the Community Outreach Department including dissemination of public information, creation and maintenance of a city website and preparation and organization of events hosted by the city. Additionally, after the revision process is complete, we plan on making the ordinances available to all citizens on our new website in .pdf format.

SPRING SHOWERS...

... bring May flowers, but they also block the sewer grates with leaves and debris. Now that spring weather is finally here, if you have a sewer grate in front of your house, please keep it clear. Failure to do this can potentially cause big problems when it rains, flooding your neighbors downhill and make the roads impassable.

RUMPKE

Just in time for warmer weather, Rumpke will resume once a week yard waste pick-up on Monday, April 6.

Recycling collection days for April and May are Mondays, 4/6, 4/20, 5/4, and 5/18. Any questions, contact Rumpke at 568-3800.

New to Bancroft? Please let clerk Tuthill know so that she can add you to the Directory.

SAFETY TIPS

Make sure that your smoke detector is working properly and check the batteries regularly. Now that warmer weather is upon us, ensure that bicycles, mowers, ladders, etc. are kept secured.
