Personal

I am looking forward to celebrating my 30th anniversary this summer to my wife Mitzie. We have two children ages 24, and 21.

Education

Went to the University Of Louisville Speed Scientific School to study Electrical Engineering. Graduated with a Bachelor's of Science in 1983 and went on to gain 30 hours of Post Graduate work.

Volunteer Efforts

I have been a volunteer Financial Counselor at South East Christian Church for many years and have recently lead about 10 Financial Peace University classes.
