SNOWY STREETS!

The arrival of cold weather could bring more snow or ice. The City of Bancroft has a contract to salt when icy and remove snow when we get 3 inches or more at one time.

Show Your Mailbox Some Love!

Please note the following tips from the United States Postal Service.

Mailboxes take a beating from the weather, so we recommend an annual mailbox checkup to avoid damage to your mail or difficulty identifying your address.

- Tighten loose hinges on the door
- Take care of rusty or loose parts
- Replace missing or faded house numbers
- Keep the path to your mailbox clear

MAYOR'S NOTES

As we move through another winter season I'd like to remind all residents to drive slowly and pay attention to the stop signs. More and more young families are moving into the city which means more young outside playing; and though the curb might be a border, it doesn't always stop them from running out into the streets.

We are moving forward nicely with the Flock cameras. This will be a big help if/when we have issues in the neighborhood. Our job is to protect the neighborhood and all its values. I think this is a great step forward in that direction.

Believe it or not, with the second meeting of the new year coming up, your commission will be working on the '23 -'24 fiscal year budget that goes into effect July 1. While we don't control property values, we do have purse strings on our budget and we will again be keeping the rate down for all.

Keep your eyes on our Facebook page. As the year goes on we will likely have an Easter Egg Hunt event planned as we have in the past and other events for our neighborhood as the year goes on. Commissioner Schapker will be keeping all informed via the Facebook page at the least.

Former Mayor Jeff Magers was honored with a plaque by new Mayor Ed Evers.

POLICE NOTES FROM CHIEF MUDD

“I hope everyone is handling the cold weather well as it seems it may be with us for a few more weeks. I imagine many have seen some cameras going up around the city and wanted to encourage anyone who has any questions about them to contact me or Commissioner Magers directly. These are Flock Automated License Plate Recognition (ALPR) cameras and they are being used in many communities within Jefferson County. You can also read more information about them on the city’s Facebook page.”

HOW CAN WE CONTACT THE POLICE?

For immediate police assistance:

1. Emergency: **Dial 911**
2. Non-emergency police assistance: **Dial 311**

For non-urgent neighborhood concerns:

1. Call our police line at **(502) 263-3663**. Leave a voicemail with your name and phone number. Chief Mudd will call you back when he is on duty.

For your safety, please call 911 or 311 to have police dispatched. If Chief Mudd is working, then they will dispatch him to help you, otherwise, they will dispatch a Metro police officer. Do not personally seek out Chief Mudd to get assistance for an emergency.
