City of BANCROFT

EST. 1970

September 2026, Vol. 9 Series 26

Hello, Bancroft Neighbors!

As we trade long summer days for cool crisp mornings and back-to-school traffic, September brings a fresh season of community updates and opportunities to get involved right here in our neighborhood.

Slowing Down for the Season

With school back in session and more kids, pets, and walkers out enjoying the autumn air, keeping our streets safe is top of mind. Our Chief of Police is doubling down on traffic safety efforts to curb speeding throughout the city. You might notice

an increased patrol presence along our main roadways and residential corridors. Please remember to check your speedometer, come to a complete stop at posted signs, and help keep our neighborhood streets safe for everyone. A little extra patience behind the wheel goes a long way!

Your Voice Matters: Join Us at Monthly Commission Meetings

City decisions are best made with direct input from the people who live here. Our City Commission meets on the second Wednesday of every month at 7:00 PM. The meetings are held at the Sacred Heart Center at St. Albert the Great. Whether you have ideas to share, questions about local projects, or simply want to stay informed on where your tax dollars are going, we invite you to pull up a chair and join the conversation.

Step Up: Volunteer to Serve as a City Commissioner

Have a passion for local governance, infrastructure, or community planning? We are always looking for dedicated residents willing to step up and serve. Volunteering as a City Commissioner is a rewarding way to directly impact the future of our neighborhood, shape local policy, and lend your expertise to city operations.

If you've ever considered getting involved, now is the perfect time. Reach out to any current commissioner or attend our next meeting to learn more about how you can put your name forward and make a difference right here at home.

Have a wonderful, safe, and active September!

Respectfully,
Erick Berryhill
Communications & Community Outreach Commissioner

TAX BILL REMINDER

Please watch your mailbox for a copy of your tax bill this week. Please remember it is your responsibility to make sure your City of Bancroft taxes are paid prior to the due date even if you feel you did not receive a copy. You can always contact Clerk Tuthill for tax information. We greatly appreciate all our residents assistance with this.

EPISCOPAL CHURCH HOME EVENTS

September 16 – Community Safety Fair

Episcopal Church Home will be hosting a Community Safety Fair focused on helping older adults and families stay safe and connected to resources. We'll have information and resources on fall prevention, scams and fraud prevention, and overall safety.

MAYORS NOTES

I would like each of the residents to know that during our September commission meeting, there will be an open discussion on the Flock cameras, a subject seemingly of great interest with the general public these days. As you likely know, our meeting will be at 7pm at St. Albert the Great Catholic Church on Girard Dr. Any and all residents, as usual, are welcome to attend.

NOTES FROM CHIEF MUDD

FROM THE CHIEF:

As school starts back, I thought it may be a good time to address an issue I've gotten questions about over the last couple of months. It has to do with some of the two wheeled vehicles kids are riding in and through Bancroft. Some of them are E-bikes, and are generally covered by the same statute that regulates regular bicycles.

However, some of them are motorized or electric "mini bikes" which are capable of speeds up to 40 mph. I urge parents to check Kentucky Revised Statutes, or with me, if they have any questions before allowing their children to ride these vehicles. Depending on their engine size and maximum speed, they require an operator's license, registration, insurance, and safety gear (helmets/glasses) if driven on a roadway.

The end goal is to keep our young residents as safe as possible!

INSURANCE PREMIUM TAX FEES

We are asking for your help to ensure that your insurance company is aware that you reside in the ***City of Bancroft***, not the City of Louisville. This allows Bancroft to receive the tax fee instead of Louisville.
